

NSTU Term/Probationary Contracts & Teacher Placement Process Information Session

Facilitated by a ***NSTU Executive Staff Officer***

Thursday, May 10 @ 4:30 pm
At the NSTU Building on
Joseph Howe Drive

It is very important for members to know your rights and responsibilities before choosing jobs/contracts – the more information you have, the more educated the decision you can make. And, hopefully, the sooner you will be on the path to a permanent contract. Join a NSTU staff officer and your Economic Welfare team as they guide you through the process.

To register, please email **Paul Boudreau** at plboudreau@nstu.ca and please indicate the session title.

NSTU - Halifax Regional Economic Welfare Committee

Light refreshments provided
