

My name is Duncan Cameron and I want to take this opportunity to introduce myself and explain why I am running for Provincial Executive.

I am excited to be running for Provincial Executive for Halifax County Local. I have been teaching for 19 years (16 within the HRCE). I am currently a Grade 7 Social Studies and Healthy Living teacher at Rocky Lake Junior High.

I have been an active member of the Halifax County Local for 10 consecutive years taking on various roles and responsibilities. This experience has been invaluable as it has given me a lot of perspective into what the members expect and want from their provincial executive.

I believe it is very important to be a well-rounded and informed member so you can make the tough decisions and choices necessary, this is especially crucial as we are currently in negotiations.

I began in the union as a school representative and after attending my first meeting I was hooked. To date I have been a member of a variety of committees within the local as well as VP of Professional Development for 4 years and served on the HRRC committee. Sitting on Article 60 committee has taught me a lot about representing the members of the local.

I possess many qualities that would serve the members of Halifax County well. I am an excellent communicator, I have always responded to members promptly, and don't shy away from answering their questions. I have experience negotiating on behalf of the members and representing their interests.

I strongly believe that the position of Provincial Executive is about representing and listening to its members and I am confident that I am the right candidate for the position.
