

DUNCAN CAMERON

FOR HALIFAX COUNTY LOCAL PRESIDENT

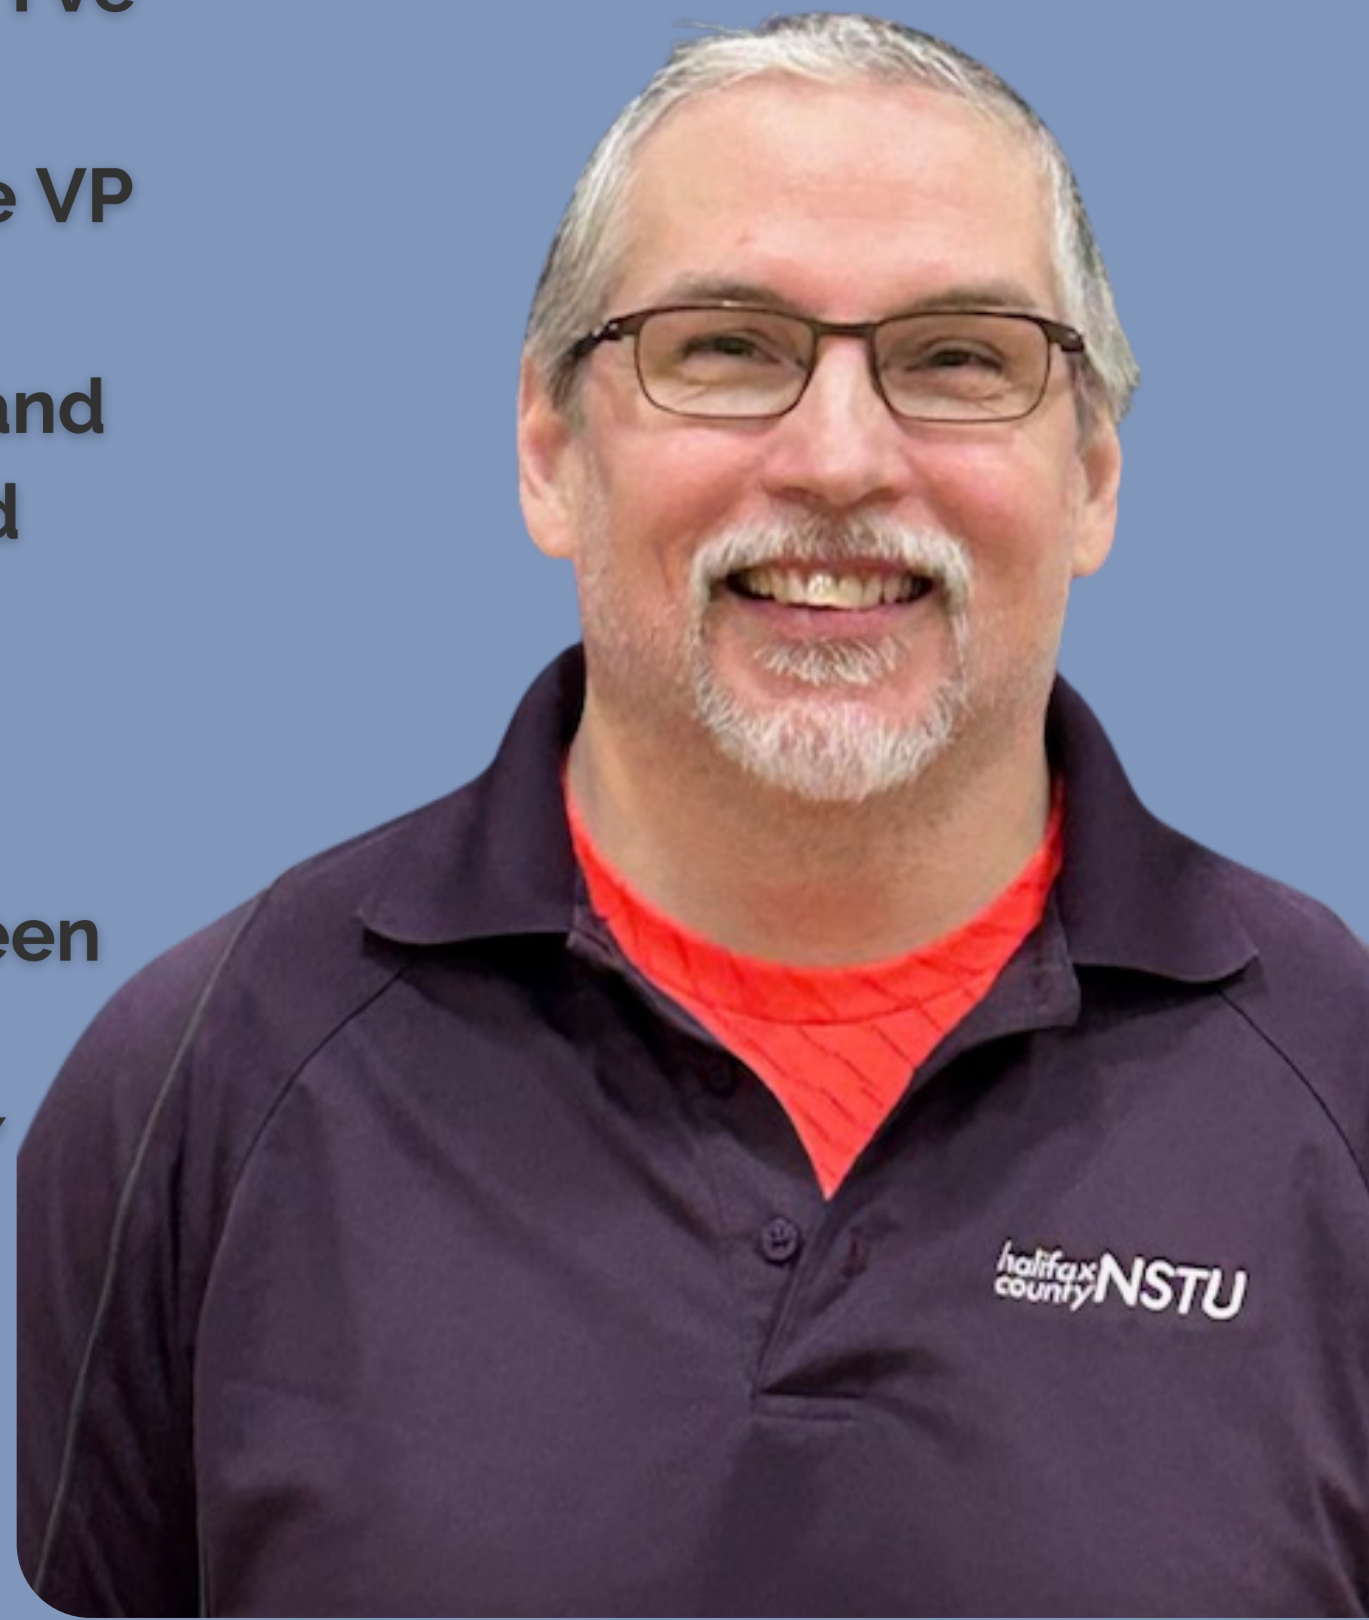

I would like to take this opportunity to introduce myself. My name is Duncan Cameron and I am currently one of your two Provincial Executives. Over the past 15 years, I've been actively involved in various roles at the local, regional, and provincial levels, including serving as the VP of Professional Development and participating in committees such as Article 60, substitute, personnel, and social and wellness committees. Additionally, I chaired the provincial nominating committee and the Halifax Regional Representative Council.

As your current Provincial Executive member I have been a strong advocate for the local the past 4 years. I have spoken up about school violence, working conditions/teacher burnout, teacher shortage, on behalf of substitutes, member engagement, and supporting teachers and their families during the challenges that came with the wildfires, floods, and covid.

The local President is an instrumental part of our organization. I have the leadership skills and qualities to be an effective and strong voice for the local. I am able to effectively communicate to the members. I have a proven track record of listening to members concerns and advocating for them at the provincial table. I will be accessible for calls and emails so you the members get your answer quickly and efficiently.

I look forward to working with the local executive and members, to collaborate together to meet the needs of the local membership. Your support means a lot to me, and I'm excited about the possibility of representing you strongly at the regional table.

On March 27th, vote DUNCAN CAMERON.
